**MAW launched its 5th edition to the rhythm of Latin music**

This year MAW opened with the anticipated Press private visit of the exhibitions, followed by a lunch at the Meridian Beach Hotel hosted by AMLA (Association Monegasque Amerique Latine), presided by Daniela Spaniar. The convivial gathering of journalists and art lovers was highlighted by a duo of musicians playing Latin tunes.

## A fascinating walking art tour!

I recommend you wear your sensible shoes, and follow the art itinerary to enjoy visiting the interesting exhibitions. We are experiencing a hot summer in the Riviera, but the galleries are air conditioned!
